

WEEKLY NEWSLETTER

Olde Providence Elementary |2015-2016 | Quarter 1

Objectives

Social Studies – Settlers of NC

Students will be able to identify how the different regions of North Carolina were settled and the people who lived in those regions.

Reading

Students will be able to will infer and predict to develop nuanced theories about characters.

Math - Place Value

Students be able to identify place value and determine the differences between numbers in various ways.

Need to Know!

Students have been working hard on some new objectives in math. They have been learning about the early colonization of NC in Social Studies. They have been practicing their understanding of figurative language and have been utilizing their understanding of suspense to build entertaining stories.

Parent teacher conferences begin next week. Everyone will receive a link to Sign Up Genius to sign up for a time slot.

The current math unit will be an opportunity for students to review place value and continue working with word problems. We will also practice multiplication.

Here are a few reminders. Please check the weebly daily for news, newsletters, homework and other class info. Homework is an important aspect of daily practice, make sure to practice work

Writing –Endings

Students will be able to create endings that summarize and finalize their stories.

Language – Figurative Language

Students will be able identify and utilize different types of figurative language including metaphor and idiom.

every day. If you are not yet on Class Dojo, please email me so I can get you a log in. Make sure to practice multiplication facts daily for Mad Minute quizzes. Use Quilt every day for vocabulary and spelling practice. Please have a copy of How to Eat Fried Worms; this helps with daily re-reading and homework completion.

Spelling/Vocabulary Words

unicellular	unify	unit
unicorn	unilateral	unitard
unicycle	unique	
unidirectional	unison
