

WEEKLY NEWSLETTER

Olde Providence Elementary |2015-2016 | Quarter 1

Objectives

Science – Native Americans and Explorers

Students will be able to identify Native American groups of North Carolina and describe their lives and jobs. Students will identify and describe major explorers and early settlers of North Carolina.

Reading

Students will be able to will infer and predict to develop nuanced theories about characters.

Math - Area and Perimeter

Students be able to find the area and perimeter of rectangles and squares in various problems

Need to Know!

We finished up with a lot of things this past week and students worked really hard. Next week we will begin Social Studies learning about Native Americans. We will begin learning about figurative language in Language. In math we will continue learning about area and perimeter and multiplication.

Progress reports go home Tuesday, Sept.

Picture day is Friday, Oct. 2nd

Here are a few reminders. Please check the weebly daily for news, newsletters, homework and other class info. Homework is an important aspect of daily practice, make sure to practice work every day. If you are not yet on Class Dojo, please email me so I can get you a log in. Make sure to practice multiplication facts daily for Mad Minute quizzes. Use Quilt every day for vocabulary and spelling practice. Please have a copy of How to Eat Fried Worms; this helps with daily re-reading and homework completion.

Writing – Elaboration and Detail

Students will utilize general to specific details to apply in their writing to elaborate a piece on fiction

Language – Figurative Language

Students will be able identify and utilize different types of figurative language including metaphor and idiom.

Spelling/Vocabulary Words

monochrome	monologue	monosyllabic
monocle	monopoly	monotone
monolingual	monorail	monophobia
monolith
